Palladium Fantasy RPG® 2E Paper Miniatures

Vol. 1: O.C.C.s

Included in this set are twenty-four paper miniatures, one to represent each of the official character classes presented in the Palladium Fantasy RPG® Second Edition main book. Miniatures are presented in two formats, with and without outlines, as well as a variety of bases, allowing multiple options for assembly. Suggested tools for assembly: a cutting board, a good hobby knife, and a glue stick or other form of adhesive.
