Palladium Fantasy RPG® 2E Paper Miniatures

Vol. 5: O.C.C.s Female

Included in this set are twenty-four paper miniatures, representing female versions of each of the official character classes presented in the Palladium Fantasy RPG® Second Edition main book. Miniatures are presented in two formats, with and without outlines, as well as a variety of bases, allowing multiple options for assembly. Suggested tools for assembly: a cutting board, a good hobby knife, and a glue stick or other form of adhesive.

UPDATE!
Now includes a fold-out base!
